

STATEMENT OF PURPOSE

RS21296

The purpose of the legislation is to give recognition to firefighting and EMS Medal of Valor recipients during the annual Idaho Fallen Firefighter Memorial Ceremony. Currently the awards for law enforcement, firefighter, and EMS are grouped together during the National Law Enforcement Recognition week. The format of the ceremony is designed around law enforcement and does not provide an environment where due recognition is given to firefighter and EMS providers that are given the award.

FISCAL NOTE

There is no fiscal impact.
